My Lord Jesus Christ

Foreword

A Special Note from William Lee

Thank you for your interest in this prophecy.

This prophecy, along with many others that I have delivered, came in diverse ways. What I mean to say is that some came through the gift of tongues and interpretation of tongues, some through the gift of prophecy, some through the gift of a word of wisdom, and some through the gift of the word of knowledge. Some were even a combination of these gifts.

These are manifestations of the gifts of the Spirit mentioned in the book of First Corinthians, Chapter 12.

Nevertheless, I believe that this prophecy, and all the prophecies God has given through me, are the words of the Lord Jesus Christ, by the Holy Spirit, manifesting through the prophetic calling and anointing He has placed on my life. I am only the vessel through which they came, as I have yielded myself to His Spirit. I am deeply honored that the Lord would see fit to use me in such a mighty way

for His glory and to share His story. To Him be all honor and glory.

The prophetic gifts have been working in my life for the last forty years, ever since the Lord placed a calling on my life to the ministry. Since then, these gifts have been flowing at various times and seasons, as the Holy Spirit has chosen to speak to me and through me to others. But in April of 2007, I experienced a new flow of the Spirit in my life.

One morning, when I awoke, the Spirit of the Lord was speaking to me in a beautiful poetic flow. I had never heard this before, except through a couple of prophecies spoken by other ministers over the last twenty years. That morning, as the Lord began to speak to me in this new poetic flow, I was quite surprised and could only respond with praise to the Lord. To my amazement, everything I said back to the Lord came out in a rhythmic, poetic flow!

This surprised me even more! I thought to myself, “What is the Lord up to?” I did not know at the time, but over the next few months, nearly every prophecy He spoke through me came out in this poetic flow. I came to realize that God had placed a new anointing on my life. But this gift was not

for me—it was for all those to whom the Lord would send me.

I would be the first to tell you, and my wife would certainly bear witness to the fact, that I never had any poetic skills, nor did I even like English when I attended school. In fact, English was my worst subject by far. This is simply a gift from the Lord. I share this so that you can better appreciate and understand what the Lord has done.

So, please, do not think for a moment that these prophecies were contrived or written by my hand or by any skill of mine. This poetic anointing is as new to me as it may be to you. Although I do admit that, at this point, I have become more comfortable with this new gifting, as the Holy Spirit speaks these words like a smooth, flowing river.

I do recall that the Lord said in the Scriptures that in the last days He would pour out His Spirit on all flesh. The only thing I claim is that I have followed the Lord with all my heart, just the same. And I have spent over six years writing thirteen non poetic books, most of which are on the subject of honor. Therefore, I understand the gravity of

truth and honesty. To God be all the glory and honor for the gifts He bestows on men.

Feel free to judge this prophecy or any other prophecy given by me. You can and should judge all prophecy, no matter the source. You can do this by holding them up to the light of the glorious gospel of Jesus Christ and comparing them with the whole counsel of the Word of God. For He is Lord of all, and I believe these words are His Words and will stand the test of time. I also believe the Holy Spirit will bear witness to these words as you read them.

But if you have a problem with anything written here, then all I can say is, “Take it to the Throne, because that is where it originated.” And if you read anything that seems to contradict what you have known, then consider what is revealed in light of the Scriptures. It may be possible that the Lord is now revealing more than you had previously understood. Some prophecies given have revealed things beyond what the Bible has already revealed on the subject.

But remember one important fact: Jesus is alive and still communicating with His Church on a daily basis. I know that God is always right, and I

know that the Lord will **NEVER** contradict His written Word (in context) by any prophetic utterance, no matter the source.

The same Lord who inspired the Bible is still speaking today by His Spirit. Even though no new books are being added to the Bible today, do not assume that the Lord has stopped speaking or that He has finished revealing things on His heart to this generation. Remember that God is still God, and He has the right to say anything that may be on His heart today. The foundation has already been laid, with Christ as the Chief Cornerstone, as revealed in the Scriptures. God will not say anything to contradict this foundation and the principles He built on it through His apostles and prophets.

These prophecies are simply the Spirit of God speaking through a human vessel. Nonetheless, I highly encourage you to see what the Scriptures have to say in light of any topics presented in any prophecy given by me and see what else the Lord may reveal to you.

So, I humble myself before the Lord and all who read these prophecies and say, if you have any questions about them, I encourage you to take your

concerns to the Lord Jesus Christ, because that's the only place where you will get an answer.

One other note to keep in mind is that the primary purpose of New Testament prophecy is edification, exhortation, and comfort for the Christian.

However, for those outside the Church, some of these prophetic words may be hard to swallow, as many contain insight into the future. Some also contain warnings to those who reject God's grace and love through Jesus Christ. Nevertheless, the truth is still the truth.

I hope you enjoy reading and meditating on what the Spirit of the Lord has said through me. If these prophecies bear witness with your spirit, as I believe they will, I personally ask that you would prayerfully consider partnering with this ministry to help others come to the knowledge of the truth: that Jesus is Lord!

Find The Time

Come to Me early
In the day
And I will begin
To show you My way

Come boldly
To My throne of grace
And earnestly
Seek My face

Come to Me
All you that are weary
And heavy laden
And I will give you rest

Lay your burdens down
Give Me your frown
I'll trade it for a smile
And I'll show you what is best

If you desire to have
Peace of mind
Then you need to

Find the time
To be with Me

It is not enough to desire
To know My ways
To stare afar off
In the distance
And to gaze

Desiring to know
Deep down inside
How to find
The treasures that reside

In the heart of man
I did hide
My plan
To build a bridge

And this bridge
will convey
The plans
I have for you
Each and every day

So prepare your heart
And start
To seek Me early

And I will say
Day by day.
“Here is the way.”

You will not fail to know
Where to go
But you must make the choice
To seek
And hear My voice

Like treasure hid in a field
So My Word will yield
Great blessings
That abound
When it is found

If you will yield your heart
I will impart
And help you to see
The great pearl hidden in Me

Rise early
And don't be late
Learn what it means
To meditate

When you set your heart
On Me
I will help you to see

Seek Me in the morning
And seek Me at night
Then you will see
Everything just right

When you see what is right
You will know what to do
And My grace and mercy
Will follow you

Enter My gates
With thanksgiving
Enter My courts
With praise

Then begin to raise
Your hands
And worship Me

I will hear and draw near
Because I do inhabit
The praises of My people

Walk and talk with Me
Each day
And I'll begin
To show you the way

The ways of health
And peace
With a sweet release

For you will not find
A peace like Mine
Until you attend to My Word
And incline your ear to hear

Then bring your burdens to Me
And I will help you see
How to be truly free

Talk with Me
Like you would your best friend
And then I will extend
My heart to you the same

But don't jabber like a fool
Or beg Me to do

What I've already
Committed to you

I gave you My Word
So you would know My ways
Phrase by phrase

My ways are not hidden
But I made them plain
To all that would
Set their heart to know
I will show

But don't expect to see
If you continually
Resist Me

Why should I give you My prize
If you despise
To look into My eyes
And know My ways?

Many have heard
That My ways
Are past finding out
But I say with a shout,

“My yoke is easy
And My burden is light!
Therefore, come to Me
Morning or night.

And I will be waiting for you!”

Thus says the Lord, God of hearts, Jesus.

Prophecy given by William A Lee and Linda Lee
Recorded by William and Linda Lee

Time Will Tell

For who would know
The mind of the Spirit?

And who would find
The time to discover
And uncover

What the Spirit is saying
To the Churches
In this hour

But those that have
A pure heart
And put their trust in Me?

For they are the ones
That will truly see
What is the mind of the Spirit

For many desire
But they have no real fire
And in the end
Only covet those I send

Because they will not
Take the time
To hear My mind
And realize the time

But if you would
Change your ways
And begin to seek Me
With a meek heart

You to will begin to see
What others
Only desire to be

But if you would see
Into My heart
Then you must
Prepare your heart
And make a place for Me
To abide with thee

So forsake your ways
And begin to praise
And gaze My way
And you'll begin to see
What I have in mind for thee

For time will tell
Those that are faithful to Me
And time will reveal
What is really in thee

So, I say come today
And start to pray
For then I will begin
To make a way

And when you pray
Do not recite a prayer
Only because it sounds right

For I want to hear from you
And I want you to tell Me
What is really on your heart
For that is the best place to start

Be honest with Me
For I do see all
Great and small

And I see
Everything
In your heart

So don't waste time
Trying to sell Me
A bunch of fluff

Get real
And then I will
Begin to heal
What is deep inside

So, go ahead
And pour out your heart
For that is the place to start

And when you come to pray
Speak to Me
For I AM He
And I want to
Commune with thee

But don't be surprised
When I reply
If you will take time
To be still

And wait for an answer
To the questions you seek

Don't run in
And blast Me
With your past failures
And sin

For that is why
I came
To wash away
The stench of sin
Each day

But when you pray
Come to be
With the Father and Me
The Holy Spirit will be there, too
And We will All be
Waiting for you

So come enjoy time apart
With the Father
And know that I, too
And the Holy Spirit
Wish to commune with you

For the Holy Spirit
Will not speak of Himself
But He, nonetheless,
Desires to be with thee

But don't be like the many
That come to pray
As though they were
At a funeral each day

So, if this is you,
I say,
“Let the dead
Bury the dead.”

For when you accept Me,
Jesus the Son,
Your old life
Is buried and done

So, come
And talk to Me
Like you would
Your best friend

And then you will see
The desire
The Father and I have
To be with thee

For those that seek Me
Each and every day

Have a special place
In My heart

And I look forward
To the time I spend
For it will never end

So, be My friend
And come talk with Me
And let Me be
A comfort to thee

But If you would come
And ask for anything
Ask the Father
In My name
And He will give to you

But ask in faith
And believe
You receive
Otherwise,
Why get on your knees?

Please do not think
That I only care
For those that I call

For if the truth be known
Many fall short
To be with Me
As I would like it to be

Never be too busy
To seek My face
Because there will always
Be a race to chase

But take the time
To come be Mine

And discover for yourself
All the blessing
Sitting on the shelf

That I desire to give
To those that live
With Me

Come and see
What prayer
Was truly meant to be

But first toss out
Your traditional ideas
And thoughts

For most of them
Do stink
And rot
In My nostrils

For the one I seek
Is meek
And true to his heart
And only desires
To know Me

And he is not there
To put on a show
For if the truth be known
He would rather go

To that special place
That he made
To seek My face
Where we embrace

For there are many
That do envy
Those that have come
To know Me
In a special way

But to you
I would say,
“The way is open
But it all starts with you.”

For until you open the door
I will not come to stay
Or say
What is on My heart

For I only share My heart
With those that truly
Set Me apart
And count Me
As a costly Jewel

For I am no fool
And I am not looking
For the best show in town

But the truth be known
I just want to find
Those that are kind

And truly want to share
And bare
Their heart to Me

For they are the ones
I go to seek

So, if you are reading this today
And you are wondering why
I have not come your way

All I can say is
Get real with Me
And I will become real to you
Just come and see

And one more thing
That I would like to say
For I AM not religious
In any way

So, if you come to Me
Putting on airs
You have just made an error

I only desire a true fire
I do not like fake fire
That some desire

Though it may look real
It will only steal

And it never truly burns
Hot or bright

But it is only a fake light
And plastic wood
And those that like it
Are like it

Stiff and cold
Never bold
And phony
Full of baloney

And those that are like
The fake wood and flame
Are always ready

To pass the blame
Wondering why
I never pass by

So, get real with Me
And let your religious
Thinking be gone
And replace it

With a new song
In your heart

And true praise
Set apart to Me

Then it will not be long
Before you see Me

Only time will tell
If you truly mean well
And are looking
To fellowship with Me

So, as for My part
I will be there
When you truly seek Me
With your whole heart

That, My friend,
Is the place to start!

So Says, Jesus, the Lord of the Heart.

Prophecy given by William A. Lee
Recorded by William A. Lee

Take The Time To Be Mine

For I have a special place
For all that would
Seek My face

It's a place
Where My grace abides
And there is no need to hide

It's a place not far
Not found in a jar
Or in a bar

But it's the place of rest
Where you can come
And be My guest

But I will say
That it is a place
I desire you to come
To each day

So, if I invited you
To be My guest
Would you come?

Many like to think
They would come
But they always find
Something else to be done

How important am I to you?

I once asked My disciples
To pray with Me one hour
But they fell asleep
As I wept alone

But I do not ask
For a commitment
From you

I only ask
If you would
Be My guest

And do your best
To come
And take some time
To be Mine

But many do not know
What they would say
If they did come to pray

But I say,
“Come and talk with Me
And simply be yourself.”

So, don't be coy
I just want to enjoy
Some time with you
Away from all the things
That would distract

For I know
There is enough
To deal with every day

That I don't want
You to feel burdened
To come My way

But remember I say,
“My yoke is easy
And My burden is light.”
And that is no joke

If you will seek Me
You will find
That I am honorable
And kind

But search for Me
With all your heart
And you will find
A new start

And I will show you My heart
In a whole new way
For I will be a Friend
To the very end

But how will you ever know
Unless you are willing to sow
The time to be Mine?

I desire to fellowship
With all
That will answer the call

But I will not beg you
To spend time with Me
You need to be able to see

That there is a value
To spending time with Me

For I do see
The value of fellowshiping
And spending time with thee

If you will come
And be My guest
I will share My best
And open to you
My great treasure chest

For I love to give
And it is in My heart
To give you a blessing
And set you apart

And if you are one
That does take time
Each day
To stop and pray

Be sure that you
Follow your heart
And do not be
Like some robot

Or you will only find
You are talking to the wall
When you fall
To your knees

The best thing to do
Is just be you
Do not put on a show
Or you'll be the only one
That does go

And let Me give you another tip
Do not simply recite a prayer
Or some other script

For I really want to hear
What is on your heart

And that is the way
I intended it to be
From the very start

I AM just like you
In that
I desire to be talked to
And not
Just talked about

And like you, I desire
To have those that really
Want to be a friend

Not those that only
Want to see
What I can do for them

For though I AM
And though I CAN
I WILL NOT
Make you come
To be ONE WITH ME

Only you
Can make a decision
To come
And be one with Me

But My Father and I
Invite thee
Because We
Desire what's right

Good fellowship
With a good friend
In the light

So, I invite you
To take the time
To be Mine

For this is a place of honor
That I open
To the one
That would come

For I AM
No respecter of persons
I simply love all men

And want to spend time
With all that will desire
To spend time with Me

So, I hope you can see
What you mean to Me

And if you have
Committed any sin
Don't let that stop you
From coming in
To abide

For I died
On the cross

So you would not be lost
To Me

So, believe Me
When I say
I will bless
And forgive the rest

And give you a new dress
To wear
Clean and white
Bright as the light

So, I hope you will choose
To find the time
To be Mine

For I will be a True Friend
To the end
Of this age
And throughout the Eternal Day

So come My way
And we will fellowship today

Jesus, The Lover of your soul.

Prophecy given by William A. Lee

Recorded by William and Linda Lee

Would you like to know Jesus?

Read this page carefully, then pray.

ROMANS 10:9-11

9 If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved.

10 For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.

11 For the Scripture says, "Whoever believes on Him will not be put to shame." (NKJ)

Understand that salvation is not just reciting a prayer but salvation is opening your heart to Jesus and making Him Lord of your life.

Now pray: Jesus, forgive Me for My sins. I turn from My sins and I receive you, Jesus, as My Lord and Savior. I ask you to come into My heart and take control of My life. I believe you took My place and died for Me on the cross and I believe that God raised you from the dead. I thank you for saving Me and revealing yourself to Me in a personal and intimate way. In Jesus name. Amen.

We encourage you to contact this ministry. We would like to help you get started in the right direction.
