

The background of the entire image is a photograph of a forest. Tall, slender trees with light-colored bark stand vertically. Sunlight filters through the dense green canopy at the top, creating bright, vertical rays of light that illuminate the forest floor and the trunks of the trees. The overall atmosphere is peaceful and natural.

My Lord Jesus Christ

Foreword

A special note from William Lee

Thank you for your interest in this prophecy.

This prophecy and many others that I have delivered came in diverse ways. What I mean to say is that, some came by way of the gift of tongues and interpretation of tongues, some came by the gift of prophecy, some came through the gift of a word of wisdom, and some came through the gift of the word of knowledge. And some were multiple combinations of all of these.

These are manifestations of the gifts of the Spirit mentioned in the book of First Corinthians, Chapter 12.

Nevertheless, I believe that this and all the prophecies that have been given through me are the Words of the Lord Jesus Christ by the Holy Spirit manifesting through the prophetic calling and anointing He has placed on my life. I am only the vessel through which they came as I have yielded Myself to His Spirit. I am extremely honored that the Lord would see fit to allow me to

be used in such a mighty way for His glory, and to tell His story. And all of these are dedicated to Him and to His glory.

The prophetic gifts have been working in my life over the last twenty years as I flowed with the utterances given by the Holy Spirit. About April of 2007 I experienced a new flow of the Spirit in my life. One morning when I awoke the Spirit of the Lord was speaking to me in poetry. I had never heard this before except through a couple of prophecies spoken by other ministers, which I had heard over the last twenty years. But that morning as the Lord began to speak to me in this poetic way, when I responded with praise to the Lord, to my amazement, everything I said back to Him came out in a rhythmic, poetic way!

I would be the first to tell you, and my wife would certainly bear witness to the fact that I never had any poetic skills, nor did I even *like* English when I attended school. This is simply a gift from the Lord. And I tell you this so that you can appreciate and understand all the more what the Lord has done. So please, do not think for a moment, that these prophecies were contrived or written by my hand or any skill of mine. This poetic form is just as new to me as it may be to you. Although, I do

admit that at this point, I have gotten comfortable with it as the Holy Spirit speaks these words like a smooth, flowing river. I do recall that the Lord said in the Scriptures that in the last days He would pour out His Spirit on all flesh. The only thing that I would claim is that I followed the Lord with all my heart just the same. And I've spent the last six years writing thirteen books most of which are on the subject of honor. Therefore, I understand the gravity of truth and honesty. And I say, to God be all the glory and honor!

Feel free to judge this prophecy for yourself and hold it up to the light of the glorious gospel of Jesus Christ and the whole counsel of the word of God; for He is Lord of all and I believe that these words are His words. And I believe that the Holy Spirit will bear witness to these words as you read them. But if you have a problem with anything written here, then all I can say is take it to the Throne because that is where it came from. And if you read anything that may contradict what you have known to date, then consider what is shown. And I highly encourage you to revisit what the Scriptures may have to say in light of any topics presented in these prophecies. In some prophecies the Lord has revealed things beyond what the bible has revealed on the subject.

But remember that Jesus is alive and still communicating with His church on a daily basis. And I know God is always right, and I know we are redeemed, but we could miss it. So I humble Myself before the Lord and all who read these prophecies and say, if you have any questions about them, I encourage you to take your concerns to the Throne because that's where I believe these words originated.

I hope you enjoy reading and meditating on what the Spirit of the Lord has revealed in this hour. And I do personally ask that if these prophecies do bear witness with your spirit, as I believe they will, that you would consider partnering with this ministry to help others to come to the knowledge of the truth: that Jesus is Lord.

Everlasting Peace And Glory

For I proclaim
The story
Of My glory

For I declare
My glory shall be seen
And My glory
Shall be heard

It will not be
A discouraging word
But a word of triumph
A word of victory

But who would hear?
Who would desire
To come up higher?

Who would desire
A fresh fire?
A fire within
Destroying sin

Peace and joy
That's not a toy
But the real thing

For those that would desire
It of Me
I will grant it to thee

But you must desire
My fire
And My glory

And desire to tell
Another story
The story of victory

The story of life
Truth
With no strife

For I declare
I can take you there
And I can help you see
The greatest victory
That can be
But it's only
Found in Me

For I will give
The victor's crown
To everyone
Who will not frown
Or look down

But will look up
Bear My cup
And eat My bread

For they will walk
In My stead
And in My place
They'll finish their race

But look up
And begin to see
That I AM He

Look up
For I declare
Your salvation draws near
And is close at hand

Lift up your eyes
Look to Me
And become wise

And don't be wise
In your own eyes
For all you'll see
Is failure and misery

You'll be cut down
To the ground
Misery with a frown
Will be your gown
And your place
Will be disgrace

But run your race
With Me
And I will give you joy
Everlasting
Peace and glory

But how shall one see
Things hidden in Me?

But they
That come My way
Each and every day

Seeking to know
My heart
And My way

16

For they will see
For they that do hunger
And thirst after righteousness
Shall be filled

And they shall see
A magnificent glory
Found in Me

For I declare
I'll take you there
For I declare
I'll let you see
What it's like
To walk in the glory with Me

If you'll look to Me
With all your heart
I'll set you apart

And you'll see
Wonderful things
That shall be

My glory shall
Fill your cup
'Til it runs over

And you'll have
Plenty more
To give out
Into another's cup
Who would desire a drink

For your cup
Shall not run dry
And you'll not have
To figure out why

I'll just keep filling it up
And as it overflows
I'll cause others around you to see
What life was meant to be

And they'll be drawn to your glory
And they'll see your glory
And they'll give glory to the highest

For they'll know
Because you chose to be
One with Me

You chose to take
Your place
In My grace

You believed
And you received

And it's My pleasure
To give My kingdom
To each and every one
That would come

Hear what I would say
To My Church today,
“Arise, and lift up your eyes
For your salvation draws near!”

And who would hear
And who would read?

For indeed,
Who would know
The way I go?

So come and follow Me
Come and be
A special one

Full of truth and life
Ready to give
Ready to live

Ready to bless
And cover
Every mess

For you'll find a success
When you're My guest
And a rest
And a peace
And a feast

So come My way
Start today
Get a new fire

And let Me give you
A new desire
For I only give
Good gifts

And there is nothing in Me
That will ever hurt
Or harm thee

Or bring you to shame
When you call
On My name

But sin
Will bring you to shame
And debase you the same

And it's a fire
That will burn
But it will not give a desire
To churn within

For sin
Does stink
And smell
With the odor of hell

And it does leave its scar
And its mark
Wherever it embarks

Wherever it goes
It shows its true face
And its true heart
From the very start

Only be wise
And see
That it's not Jubilee

For it has a cost
And its price is high
For I know
When I was raised
To the sky

With My arms
Spread out wide
From side to side

For I bore the penalty
And the shame
Of all sin and pain

But now I've been given the Name
Above every name
Because I did not bow to sin

I only took it within
To take your place
So you could finish your race

Without disgrace
Free again
Free from sin

So embrace Me today
And I'll make a way

Even where there seems
To be no way
Just call out to Me today

Then be true
And live life anew
Don't stray
And go the other way

But come with Me
And live to see
The Eternal Day

Blessed are they that hear
When the Spirit calls near
Who open their heart to see

For you can sneer
Or you can steer near
Just put it into gear

And get off the fence
Make a choice
To hear My voice

For I proclaim it
To you today
In a special way

So to say,
“I love you
I died for you
And I open My heart to you.”

And if you'll receive
My words today
And believe what I say
I will receive you to Myself

But if you refuse
To hear what I would say
Then go your way

But I would persuade all
Not to fall
And not to tread
On the brink
Of sand that sinks

If you build your life
On the sand
Your house won't stand

Build it on a rock
And your foundation
Will be sure

But be willing to endure
The tests in life
They're not from Me
For I do love thee

But there is one
That would come
To steal, kill and destroy
And he's no toy
Or cartoon

But soon he'll see
What hell was truly
Meant to be

And he won't be laughing
In that hour
For it will be exceedingly sour

And he would have
A mind to repent
But he is bent
On your destruction

And he will not relent
To his own destruction
For he is the author of confusion

And what he writes
And what he would say
You should not cite
Or proclaim in any way

Because it's a lie
And he is the father of it
For there's no truth in him

But I AM
The way
The truth
And the life

There is no other
You'll discover
Under the sun

For who else
Could die for your sin?
And who would grin
And bear it?

But I did!
So hear Me today
And come My way
I will not reject you

But I'll receive you
Just like you are
For I can see far
Into what you'll be

And there's more to know
And more I would show
If you'll receive
This glory
And new fire within

You'll begin to see
And perceive
What I have in store
As I open the door

You'll know more and more
As you come My way
Day by day

If you would see life
And know good days
Then come and see
What I have in store for thee

Be willing to take a step
In My direction

Be willing to receive
My correction

And you'll come to know
What's more valuable than gold
Things that can't be sold
But only by My Spirit
Are they told

Flee sin and win
Come to Me
And learn what it means
To be free

So says Jesus, One Who sticks closer than a
brother, and will cover your sins.

The Glory And The Story In A Tree

I call your attention today
To a new way
I set before you
Things I'm beginning to do

For I say,
“Blessed is this day.”
For I proclaim
By My name
Wondrous things
To be done

Things to be said
And things to see
Places to visit
Deep in Me

But who would come
And who would go?

And who would wait
To hear what I would say?

By My Spirit
I proclaim,
My love for all
Just the same

For I do love all
And My love is grand
My love is extended to you
By My right hand

Take My hand
And come with Me
For I will take you
On a great journey

For in Me you'll find
Blessings of every kind

And many more
Laid up in store
For all those
That walk through the door

For if you desire to see
The things that shall be
Then come with Me

And mark this day
In your mind
And in your heart

For it's the day
That you took a journey
With Me

For I AM He
That delivered thee

For I AM He
That desires to be
All to thee

For I AM He

For I will give you
Sight to see
Deep into Me

So all will know
What I sow
For I will sow
So all can know

A seed to be
A tree in Me

A tree that's high
Into the sky

Unlike any other
You've ever seen
A tree that's green
Of another sheen

High and high
It grows
Into the sky

Look to Me
And you will see
What's within the tree

In the tree
Is a blessing for thee

In the tree
Is what I see

What's in the tree
Came from Me

Its branches are broad
So all can see

So all can hear
As they draw near

Its branches do fly
In the sky
As its leaves
Ride the wind

For the wind
Does sing
As it blows
Through its branches

For there's life in Me
Much like a tree
As it blows in the breeze

As when the Spirit passes by
Many wonder why
When they look at a tree
Why I created it to be

But I created it for thee
So you could see
My glory
And understand the story

Full of splendor to see
The story of the tree
Is found in Me

The story is My glory
The story is My glory

Come and see
What awaits thee

Come and see
What's under the tree

Come and see
What's yet to be

Come and see
What's hidden in Me

For when you look at a tree
You will see
There is but one
Under the sun

There's no two alike
And there's no two I like
More than another

But I do cover
Them with leaves
And needles, too

All so you can enjoy
The blissfulness of the breeze
Blowing through the trees

For the wind blows here
And the wind blows there
And I set the tree
To dance for thee

It dances in the breeze
And claps its hands
Rejoicing and praising
All the day long

For in it there is
A righteous song
That can be heard
Even from the whistling bird

From tree to tree
You'll also find
A smell of a different kind

For when you look at a tree
There's more than
What you can see

In every tree
Three's a piece of Me

But I'm not the tree
And the tree is not Me

The tree is but a blessing to see
And it glorifies Me

As the breeze blows
Through the tree
All can see
Its diversity in Me

For every tree
Will cover thee
Whether by the sea
Or high on the mountaintop

For I set them to grow
In all the places
You would go
So you could
Always see a tree

Its beauty and grace
Can even be seen
In one's face
When they look at a tree
Because they see Me

For in it little squirrels
And varmints do reside
And in it the bird does fly

He does land
And make his nest
So there he can rest

For I made the tree
To be restful
To stand through time
A testimony of My strength

Its roots go deep
As they look
For water to seep

Seeking the light of day
They grow to great heights
Along the way

For in every tree
There's a different glory
To see

No matter where you go
You'll always
See the show

Just pick a tree
And you'll see
My glory
And a piece of My story

You'll see
Some grow tall
And high
Into the sky

Some grow wide
And deep inside
Some are small
And some are tall

But all in all
They do call
They call to thee

Saying, come and be
Near to me
For I'll cover you
I'll give you rest

And I'll give you a show
Simply come
And watch me grow

Who invented the tree
But Me?
But who can see
What it was meant to be?

I made it for all
Great and tall
Rich and poor
All the more

I made it to be
Warmth to thee
I made it to be
Building blocks to see

I put in it a chair
And a table, too
All just as fine
And good for you

But who can see
What I put in a tree?
Can you tell?

For I set it apart
So you could
Look into its heart

Count its rings
And you can see
Into eternity
The passage of time

I made it to be
Jewelry
I caused it to be
Art to thee

You put it in a car
So you can go far

For few there be
That would not
Like a tree

But every tree
Finds its glory
In Me

I gave it a gift
To all
Great and small

To build
And to yield
Its strength in the field

To give you a fire
And the fuel
You desire

I made some sweet
Some you can even eat

But what would life be like
Without a tree?

What would earth be like
If there were no tree to be?

What would you see?
How would you know Me?

For you write on it in a book
And you make pages to look
So you can see
Deep into Me

For how would you write
Or print at night?

For you can see
There is much in a tree

But can you see
What it was meant to be?

It was meant to be free
It was meant for thee

To discover
What you could uncover

To discover
The glory within

To take its yield
And wield a tool
To make a stool
That even a fool
Can sit upon

And when it burns its fire
It creates a desire
Deep within

A warming to some
A warning to others

And though it burns bright
It is but for a season
In the night
And then it begins to wane
And smolder the same

Yet it begins to glow
And in the snow
Beneath the ash
Its embers burn hot
And can't easily be put out

So you can see
Some of the glory
Found in a tree

A house
Its walls
Its floors
And its doors
And a whole lot more

A place to cover
A shelter
From the storms of life

For I made the tree
To protect thee
To feed thee
To teach thee
To declare My glory
And proclaim a story

A story that all can read
That all can see
Written in the tree

But can you see
The glory in the tree?
Can you see
What I have given thee?

For when you stare
At a tree
Do you wonder
What it was meant to be?

September 7, 2007
A prophecy given by William A. Lee
Recorded by Linda I. Lee

For I Hung On A Tree

For you know I died on a tree
But did you know it was for thee?
And why would I die on a tree?
And why was it to be?

It was to be
Because I placed
My glory in the tree

And the tree did bear
And share
The stain of sin
As I took it within

And the glory of the tree
Was never meant to bear
The shame of sin

But it did bear Me
As I hung on the tree
And it bore shame that day

When I did pray
And say,

“My God, My God,
Why have you forsaken Me?”

For I do remember the day
I did pray
And I do remember the stain
And the pain

But I remember it for you
So I could be a high priest, too
So I could minister life to you

For I do see
Just like thee
And I did feel
What it was like
When sin came to steal
My life

It stole My life
And turned Me into a mole
And then I was laid in a hole
In the ground

For all that knew Me did frown
I saw their faces
As they stood around
That day

Atop the cross I cried
But deep inside
I felt My Father's pleasure

And I weathered the storm
For I knew I was born
For that day and that hour

For I did bear the scourge
Of sin and pain
For I did bear the stain
I felt those thorns
Pierce My brow

And I watched
As many mocked
Cheering and jeering

But I died for them
So they, too, would be free
From sin and shame
And the pain

And there were two others
That hung with Me that day
One did jeer and say,
“Why don't you save us if you can?”

Little did he know
The way that I did go
For I did save him that day

But he forsook My way
Finding more pleasure to mock
Than to talk

And there was the other
Thief too
But he would see anew
For he is here with Me today

And if he could tell you
He would also say,
“Come this way.”

For it's the way
That leads to life
Free from strife
Free from death and pain
And all its stain

For all that knew Me
Forsook Me
For in that day
They did not know what to say

They thought I should rule
And not be a fool
To give My life away

But they did not see
That it pleased Me
And the Father, too
To give My life
An offering for you

Hear what I would say
For I declare My love
For you today
In a new and special way

And I would say
Don't forsake My love
All because you think
That My ways do stink

Or you don't understand
Why Moses gave
The commands

But realize today
That there's more
That I would say

To those that would listen
And hear
As My Spirit comes near

For My commands
Are not grievous
And I did reduce them to but two

Saying,
“Love the Father
And one another, too.”

But is that too hard for you?
For I did not ask you to do
What you could not do

But that is exactly
Why I died for you

So you could have the power
In this hour
To overcome
The temptation of sin within

But it will not happen
Until you come to Me

And begin to see
That sin must be taken out of thee

For the problem is in the heart
And that is why
You need a new start

For if you think
You have life by the tail
Then why is this world
In such travail?

Can you not see
It's the sin in thee?

If you are not for Me
Then you are against Me

And the life you think
You have by the tail
Will quickly fail
The day you die

But why?

There is more to life
To be found
Above the ground

And like a caterpillar
I can help you become
Transformed within

Free from sin
Something totally new
Free to fly into the sky

So you can live like a worm
And think you're on firm ground
Or you can give your life to Me
And I'll give you new wings
And a song to sing

So you can fly
To places and spaces
Found in Me
For I AM He

And I declare it to thee
And to all that would
Read this letter

If you'll open your heart
Up to Me
I'll help you to truly see

What you only thought
In your dreams
Could ever be
So come My way
Receive your pardon today
And let My glory
Give you a new story

For I'll impart
My life
Into your heart
Giving you a fresh new start

And I'll give you a new gown
And a crown
In that day
If you'll walk My way
And do what I say

Come near
And receive
And only believe

Don't try to figure it all out
Or you may lose out
And be left behind
Because it's only a matter of time

For it's only My desire
To bring you up higher
And to help you see
That you can have
A new life in Me

For there's life
In no other
You'll ever discover

So don't be a fool
But learn to rule
And take your place
In My grace

For I invite you
To take My hand
And stand with Me

Throughout eternity
To behold My face
To forsake disgrace

For if you embrace
Disgrace
You'll crash and burn
Before the race is won

But you must make
This choice today
For I would say,

“I stay behind the veil
Until all sell their soul
But who would be made whole
And sell their soul to Me?”

For if you will sell your soul to Me
I'll give it back to thee
Pressed down, shaken together
And running over

I'll give you life
And that more abundantly

But if you'll sell your soul
To the evil one
Your life will be a waste
And you'll stand before My face
In utter disgrace

And you'll be ushered to a place
For the proud
For the evil

For the twisted
And the rebellious, too

Hear My heart today
And what I would say,
“Don’t go that way!”
But I will not force you
To walk in My ways
The choice is yours

So don’t sell yourself short
But come into My port
Where safety will be found
And blissfulness all around

Don’t let your boat sink
And take you down
For pride
Is but a short ride
To the bottom

But there’s glory
To be seen
And a story to be told

If you will embrace Me
And learn what it means
To be sold out

So come sell out to Me
And I'll give you life
Abundantly

Jesus of Nazareth, the Firstborn Son of the Holy

A prophecy given by William A. Lee
Recorded by Linda I. Lee

Would you like to know Jesus?

Read this page carefully, then pray.

ROMANS 10:9-11

9 If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved.

10 For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.

11 For the Scripture says, "Whoever believes on Him will not be put to shame." (NKJ)

Understand that salvation is not just reciting a prayer but salvation is opening your heart to Jesus and making Him Lord of your life.

Now pray: Jesus, forgive Me for My sins. I turn from My sins and I receive you, Jesus, as My Lord and Savior. I ask you to come into My heart and take control of My life. I believe you took My place and died for Me on the cross and I believe that God raised you from the dead. I thank you for saving Me and revealing yourself to Me in a personal and intimate way. In Jesus name. Amen.

We encourage you to contact this ministry. We would like to help you get started in the right direction.
