My Lord Jesus Christ

Foreword

A special note from William Lee

Thank you for your interest in this prophecy.

This prophecy and many others that I have delivered came in diverse ways. What I mean to say is that, some came by way of the gift of tongues and interpretation of tongues, some came by the gift of prophecy, some came through the gift of a word of wisdom, and some came through the gift of the word of knowledge. And some were multiple combinations of all of these.

These are manifestations of the gifts of the Spirit mentioned in the book of First Corinthians, Chapter 12.

Nevertheless, I believe that this and all the prophecies that have been given through Me are the Words of the Lord Jesus Christ by the Holy Spirit manifesting through the prophetic calling and anointing He has placed on My life. I am only the vessel through which they came as I have

yielded Myself to His Spirit. I am extremely honored that the Lord would see fit to allow Me to be used in such a mighty way for His glory, and to tell His story. And all of these are dedicated to Him and to His glory.

The prophetic gifts have been working in My life over the last twenty years as I flowed with the utterances given by the Holy Spirit. About April of 2007 I experienced a new flow of the Spirit in My life. One morning when I awoke the Spirit of the Lord was speaking to Me in poetry. I had never heard this before except through a couple of prophecies spoken by other ministers, which I had heard over the last twenty years. But that morning as the Lord began to speak to Me in this poetic way, when I responded with praise to the Lord, to My amazement, everything I said back to Him came out in a rhythmic, poetic way!

I would be the first to tell you, and My wife would certainly bear witness to the fact that I never had any poetic skills, nor did I even *like* English when I attended school. This is simply a gift from the Lord. And I tell you this so that you can appreciate and understand all the more what the Lord has done. So please, do not think for a moment, that these prophecies were contrived or written by My

hand or any skill of mine. This poetic form is just as new to Me as it may be to you. Although, I do admit that at this point, I have gotten comfortable with it as the Holy Spirit speaks these words like a smooth, flowing river. I do recall that the Lord said in the Scriptures that in the last days He would pour out His Spirit on all flesh. The only thing that I would claim is that I followed the Lord with all My heart just the same. And I've spent the last six years writing thirteen books most of which are on the subject of honor. Therefore, I understand the gravity of truth and honesty. And I say, to God be all the glory and honor!

Feel free to judge this prophecy for yourself and hold it up to the light of the glorious gospel of Jesus Christ and the whole counsel of the word of God; for He is Lord of all and I believe that these words are His words. And I believe that the Holy Spirit will bear witness to these words as you read them. But if you have a problem with anything written here, then all I can say is take it to the Throne because that is where it came from. And if you read anything that may contradict what you have known to date, then consider what is shown. And I highly encourage you to revisit what the Scriptures may have to say in light of any topics presented in these prophecies.

In some prophecies the Lord has revealed things beyond what the bible has revealed on the subject. But remember that Jesus is alive and still communicating with His church on a daily basis. And I know God is always right, and I know we are redeemed, but we could miss it. So I humble Myself before the Lord and all who read these prophecies and say, if you have any questions about them, I encourage you to take your concerns to the Throne because that's where I believe these words originated.

I hope you enjoy reading and meditating on what the Spirit of the Lord has revealed in this hour. And I do personally ask that if these prophecies do bear witness with your spirit, as I believe they will, that you would consider partnering with this ministry to help others to come to the knowledge of the truth: that Jesus is Lord.

Who Are You Listening To?

Who are you listening to?

A friend

Or a foe

Or don't you know?

When you hear

A whisper in your ear

It could be Me

Or it could be the enemy!

Yes did you not know?

There is an enemy

Of your soul.

He is not out for fun

But he is the one

That comes to steal,

Kill and destroy.

But I came to give life

Free from strife,

Guilt and condemnation.

But what can I say
To help you today
So you can see clear
What I am saying here?

To help you see the brevity
Of life and understand
The activity of this enemy
You must understand

He is not out for blood alone
although he is a stone cold killer
But what he really wants to see
Is your life lost for eternity.

For you should know that
Once he was with Me
I anointed
And appointed him

An angelic presence to see
Full of beauty and grace
He stood before my face.
And walked in the middle
of the stones of fire

But he was not satisfied
With his place

For pride filled his face
And he plotted within his heart

To start a revolt
To see if he could
Overthrow My kingdom
and My throne

But like a lightning bolt
He came crashing down
To the ground.

But his rebellion failed
He was jailed
And then he realized
And despised
That I had the keys.

So I sent him away
From my face
To another place

I sent him to the earth
Where he destroyed
It with mirth.

But he called to Me
And said

Shall this be
My Eternal stead?

He cried and he said
It is not fair to leave me
Here alone
with no throne

But it was never in My heart
That he should rend apart
The earth
and lay it to waste

Everything was in chaos
And darkness was
Everywhere

So I said to his face
I will clean up this place
And set a man to keep it.

But he said what is a man?
I declared he is an extension
of My hand
And He shall rule over you.

So I cleaned up the earth
And when it was right

In my sight.

I created man to be like Me
And then I gave him the keys
So he could oversee this enemy
And keep the work of My hand

I made him a place
Full of beauty and grace
A splendor to see
If you ask Me.

So I put Adam
In this garden of delight
And charged him to rule
By day and by night.

I brought all the creatures
I had created anew
To Adam
To see what he would do.

He named them all
One by one
Until he was done

He was not long in his place
Before the enemy came like a spy

To see what havoc he could try.

For he said in his heart
I will take this man apart
He shall not rule over me.

He watched and he waited
While he anticipated
The right time to move.

As he watched this man
He came to understand
He was just like God
But made from a clod of dirt.

Now he was really mad
And even more determined
To bring this man down
To the ground
From which he came.

I warned Adam to watch
And stay on guard
Because there was another
That wanted his yard.

Then Adam came to Me
And said I do not see

Another like me
Upon the face of the ground

So the enemy watched closely
As I took a rib from Adam's side
And brought back to him a bride.

A companion like no other
I told him to cover
the woman
I blessed them and said.
"Be fruitful, multiply and fill the earth."

But as the enemy stood nearby
He began to cry out -
"There is more than one!"
He was stunned.

Now there were two
And he did not know what to do.
But he said inside,
"I must try to divide
And conquer them quickly."

He had heard me declare
To the man but one
Command.

And he believed that if
He could sell this man a lie
And get him to reply
Then he too would become a spy.

Now out of all the animals
I had created
There was one that was
Cunning and sly
But he did not know why

For at this time
The serpent did speak
But he was not meek

Knowing this the enemy
Saw his play
For he had been stalking him
Day by day.

He went to the serpent
And seduced him
Saying let me in
And you will see what
I can do through you.

The serpent gave in
And let him in

and let him have his way
until that day

Now the enemy set out
in pursuit
with his new found suit.

Now one day
He saw the man
And his wife at play

Near the tree with
The forbidden fruit
That was not to be eaten.

So subtly he came
to the woman
In his new suit
With but one pursuit.

He tempted the woman
Saying, "Eat this fruit
And you will be wise
And your eyes
will be opened"

"You will be like God
Knowing good

And evil."

The woman did not
Think about
who she
Was listening to!

And indeed she did eat
And her husband too!
Then they did not know what to do.

For death had come
And took them both down
And it also took away their crown

They found themselves naked
And full of fear
As the enemy gloated
In their ear

For he said who
Shall rule who

For now once again
This place is mine
But now I have the keys this time
And you shall serve me.

But then I came into
The garden that day
Looking for Adam
In My usual way

But I knew what had been done
So I called out to them
Again and again

For their sin
had caused them to hide
Because of their pride.

Finally they came forth
And declared
What the serpent had done

Then I saw the serpent
Starting to run and hide
But I cursed him deep inside
Saying on your belly shall you go
From side to side

Because you caused your master
To hide in shame before My face
You shall no longer run and chase

Therefore I caused him to eat the dust

Because he gave his glory
To be used for another's lust

It was at that point
That I pronounced sentence
Upon Adam and Eve

I told them that they must leave
The garden of paradise
The place they lived without vice

But I did not leave them without
I gave them clothes
And sent them to till the ground
From which they came out

For I also laid the foundation
For the day to come
when I would redeem
all that was lost
And pay the awful cost.

For in time I came
To buy back that which was lost
But it came at the highest cost

For I came not into the world
to condemn it

But so that I could reverse
The curse caused by sin.

For My Father so loved the world
That He sent Me,
His only begotten

And I gave my own life
So you could be free
And have your sin forgotten

So now in Me you can be free
From the sin within
That was passed down to all
Through Adam's fall.

So I say to you now
And all that would read this letter
This enemy is still here!

And the last thing he wants
Is for you to see
And know this truth
That can set you free

Or to draw near to Me
And learn how to walk
And talk anew

In true victory
Over him,
The author of sin

For he still lies
And connives
But his end is near

If you will look to My cross
You will not suffer loss
In the Day when all man's deeds
Shall be revealed.

Receive Me, Jesus,
as your Master
And you will avoid
A great disaster

Your light will shine
And you will be mine
And in time
You will see
The love I bore for thee.

But do not think
You will escape
If you forsake Me

Then your path will not be clear
And with an enemy for a master
All your life will spell disaster.

His game has not changed
But he is still
The same evil twisted one

Beware of the thoughts
That come to your mind
For you will find
That many are not your own

But were actually sown
Like seeds by him
To keep you captive to sin
And a slave to him

Rise up today
And forsake his evil way
Come to Me and see
What life was truly meant to be.

I will be waiting here
When you draw near
When you call out
I will not hesitate

Or be late.

Blessed are they
That read this letter
And hear the words
Of this prophecy

Thus says the Lord, Jesus
The Anointed One
Who now holds the keys once again
And paid your redemption from sin

And now to
all that will come
I will give
The keys of the kingdom

A Prophecy given by William A Lee
Recorded by Linda Lee

Would you like to know Jesus?

Read this page carefully, then pray.

ROMANS 10:9-11

9 If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved.

10 For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.

11 For the Scripture says, "Whoever believes on Him will not be put to shame." (NKJ)

Understand that salvation is not just reciting a prayer but salvation is opening your heart to Jesus and making Him Lord of your life.

Now pray: Jesus forgive Me for My sins. I turn from My sins and I receive you, Jesus, as My Lord and Savior. I ask you to come into My heart and take control of My life. I believe you took My place and died for Me on the cross and I believe that God raised you from the dead. I thank you for saving Me and revealing yourself to Me in a personal and intimate way. In Jesus name, amen.

We encourage you to contact this ministry. We would like to help you get started in the right direction.
