## ***Foreword***

A special note from William Lee

Thank you for your interest in this prophecy.

This prophecy and many others that I have delivered came in diverse ways. What I mean to say is that, some came by way of the gift of tongues and interpretation of tongues, some came by the gift of prophecy, some came through the gift of a word of wisdom, and some came through the gift of the word of knowledge. And some were multiple combinations of all of these.

These are manifestations of the gifts of the Spirit mentioned in the book of First Corinthians, Chapter 12.

Nevertheless, I believe that this and all the prophecies that have been given through me are the Words of the Lord Jesus Christ by the Holy Spirit manifesting through the prophetic calling and anointing He has placed on my life. I am only the vessel through which they came as I have

yielded myself to His Spirit. I am extremely honored that the Lord would see fit to allow me to be used in such a mighty way for His glory, and to tell His story. To Him be all honor and glory.

The prophetic gifts have been working in my life over the last twenty years ever since the Lord placed a calling on my life to the ministry. Since then, these gifts have been flowing at various times and seasons as the Holy Spirit has chosen to speak to me and through me to others. But in April of 2007, I experienced a new flow of the Spirit in my life.

One morning when I awoke the Spirit of the Lord was speaking to me in a beautiful sounding poetic form. I had never heard this before except through a couple of prophecies spoken by other ministers over the last twenty years. That morning as the Lord began to speak to me in this new poetic way, I was quite surprised and could only respond with praise to the Lord; but to my amazement, everything I said back to the Lord came out in a rhythmic, poetic way!

This surprised me all the more! I thought to myself, “What is the Lord up to?” I did not know at the time but over the next few months nearly

every prophecy He spoke through me came out in this poetic form. I came to realize that God had placed a new anointing on my life. But this gift was not really for me but for all those to whom the Lord would send me.

I would be the first to tell you, and my wife would certainly bear witness to the fact that I never had any poetic skills, nor did I even *like* English when I attended school. This is simply a gift from the Lord. And I tell you this so that you can appreciate and understand all the more what the Lord has done.

So please, do not think for a moment, that these prophecies were contrived or written by my hand or any skill of mine. This poetic anointing is just as new to me as it may be to you. Although I do admit, at this point, I have gotten more comfortable with this new gifting as the Holy Spirit speaks these words like a smooth, flowing river.

I do recall that the Lord said in the Scriptures that in the last days He would pour out His Spirit on all flesh. The only thing that I would claim is that I followed the Lord with all my heart just the same. And I've spent the last six years writing thirteen

books, most of which are on the subject of honor. Therefore, I understand the gravity of truth and honesty. And I say, to God be all the glory and honor for the gifts He bestows to men.

Feel free to judge this prophecy or any other prophecy given by me. You can and should judge every prophecy, no matter the source. You can do this by holding them up to the light of the glorious gospel of Jesus Christ and compare them with the whole counsel of the word of God. For He is Lord of all and I believe that these words are His words and will stand the test of time. And I believe that the Holy Spirit will bear witness to these words as you read them.

But if you have a problem with anything written here, then all I can say is, “Take it to the Throne because that is where it originated.” And if you read anything that may seem to contradict what you have known to date, then consider what is revealed in light of the Scriptures. It may be possible that the Lord is now revealing more than you had previously understood. Because in some prophecies given, the Lord has revealed things beyond what the bible has revealed on the subject.

But remember one important fact: Jesus is alive and still communicating with His Church on a daily basis. And I know God is always right. And I know that the Lord will **NEVER** contradict His written word (in context) by any prophetic utterance, no matter the source.

The same Lord that inspired the bible is still speaking today by His Spirit. And even though no new books are being added to the bible today, do not assume that the Lord has stopped speaking or that He has finished revealing things on His heart to this generation. Remember that God is still God and He has the right to say anything that may be on His heart today. But the foundation has already been laid, Christ being the Chief Cornerstone, as revealed in the Scriptures and God will not say anything to contradict this foundation and the principles He built on it through His apostles and prophets.

These prophecies are simply the Spirit of God speaking through a human vessel, which only build on the foundation and principles already laid, **NEVER** contradicting them. Nonetheless, I highly encourage you to see what the Scriptures have to say in light of any topics presented in any

prophecy given by me and see what else the Lord may reveal to you.

So I humble myself before the Lord and all who read these prophecies and say, if you have any questions about them, I encourage you to take your concerns to the Throne because that's the only place where you will get an answer.

One other thing to keep in mind is that the primary purpose of New Testament prophecy is edification, exhortation and comfort for the Christian. But for those that are outside the Church, some of these prophetic words may be hard to swallow as many contain insight into the future. And some contain warnings to those who reject God's grace and love presented through Jesus, the Christ. Nevertheless, the truth is still the truth, even though at times it may cut deep.

So I hope you enjoy reading and meditating on what the Spirit of the Lord has revealed in this hour. And I do personally ask that if these prophecies bear witness with your spirit, as I believe they will, that you would prayerfully consider partnering with this ministry to help others to come to the knowledge of the truth: that Jesus is Lord!

## ***Birds Of A Feather***

I'm sure you have heard  
The well known word  
That birds of a feather  
Flock together

But have you stopped  
To consider  
What that means?

For I am the Lord  
That created every bird  
And even I have heard  
This word

But let Me tell you  
About the bird  
And what you may not  
Have heard

I created many birds  
Large and small  
Great and tall

Some that walk  
And some that run  
And some that fly  
High in the sky

But as with all things I created  
Each one has its own  
Unique purpose and place

To bring about fullness  
And wholeness  
Upon the earth's face

Some birds hum  
Because of the speed  
And rhythm of their wings

It's as though they can fly  
From one place in the sky  
And go from tree to tree

And flower to flower  
To forage hour by hour  
Finding their food

Some birds nest low  
To the ground  
And some nest high

On the side of a cliff  
Or in the top of a tree  
But all were still  
Made by Me

Some flock together  
And some fly alone  
Some are one color  
And some are two tones

Some are grizzled  
And some seem to play  
Yet they all do their work  
Day by day

To fill their belly until its full  
They fitly go  
To and fro

Looking here  
And looking there  
Seeking to find  
One meal at a time

Some like it hot  
And some like it cold  
And, like you,

Some are young  
And some are old

But all in all,  
What can I say  
To teach you something  
That will help you today?

A lesson to be learned  
A thought to be had –  
If you were a bird  
What kind would you be?

So take a quick journey  
With Me  
So you can see

For this may tell you more  
Than you ever  
Thought before

Are you like the hummingbird?  
That goes from flower to flower  
Seeking some nectar to devour?

He cannot soar  
But his flight is precise  
And his beauty is nice

He seeks the flower  
Because he desires  
Something sweet

To give him the power  
He needs to fly  
So quickly  
Through the sky

If you think this bird  
Is something like you  
Then let Me tell you  
What you ought to do

You have a power  
And a grace  
But you need to pace yourself  
To finish the race

Or you may find  
That your tank  
Gets too low  
And you'll begin to slow

And you'll be too weak  
To see  
When one comes  
To prey on thee

But humble yourself  
And know  
That flying to and 'fro

Though it keeps you busy  
You will find  
That not every flower  
Is sweet all the time

But like the bee  
You go from tree to tree  
And from flower to flower  
Pollinating hour by hour

You help bring forth more fruit  
You build others up  
And you water them, too  
And for this I commend you

You see every flower  
For what it's truly worth  
And you do your best  
With such mirth

But then there are the birds  
That fly together  
They have a formation  
That looks impressive

But in the end  
They're really dragging  
On their friend

If you're like one of these  
You have a form of godliness  
But you haven't learned  
To stand on your own

You're still looking to others  
To help carry your load  
And guide you along  
In the right direction

This is not entirely wrong  
However, I did say in My word  
That if the blind follow the blind  
They both fall in the ditch

And depending on who  
Is leading your flock  
Can have a lot to do  
With your success or failure

For unlike the bird  
That's driven by instinct  
That flies to the North  
And again to the South

In the spirit  
There's only One  
Who can truly show  
You the way to go

He won't lead you astray  
But He'll take you all the way  
And lead you  
To see a better day

And if you're wise  
You'll follow Him  
And forsake all sin

For I speak of the  
Spirit of Truth  
Who will lead and guide

So be careful  
To discover  
With whom you hover

For if you follow a clown  
You may lose your crown  
And if you follow a fool  
You'll never learn to rule

So I encourage you  
To receive My Spirit today  
And look to Him  
To lead the way

Pray in the Spirit  
And with your understanding, too  
And then you'll begin to know  
What to do

As a result  
You'll leave the flock behind  
And you'll learn how to navigate  
By My Spirit in time

Then there are the scavengers  
Who go around  
Looking for any food  
That can be found

They don't care  
What they eat  
As long as it looks  
Like a treat

They don't work hard  
To find something fresh  
Instead, they'll set their plate

In the trash  
Thinking they found  
A great and wonderful stash

But all they really found  
Was garbage left behind  
That wasn't really a find

But in the end  
It will prove  
Less than a friend

It will sour in the stomach  
And they will drop their dung  
On anyone  
Standing nearby

And they leave a mess  
Wherever they nest  
Teaching others to do the same

You've probably seen  
Or known a few  
That you would classify here, too

If this be you  
Then hear My words  
For I would say to you

Come and eat  
The true Bread of Life  
And stop dining with strife

Stop living  
In the mess  
That you've made

For nothing unclean  
Will inherit eternal life  
So amend your ways  
And lose the strife

Cleanse yourself  
By washing in the water  
Of My Word  
And spend more time with Me, too

And I'll point the way  
To a better stash  
Than any trash  
You've hereto seen

Now we also have the birds  
Those that prefer to run  
Than to fly  
But they don't know why

Although they are a bird  
They're helplessly inured  
With the ground

And anything  
That can be found  
In the dust

There are many  
Of these birds  
All with a different feather

But in the end  
Their nature  
Is the same

For they run to and fro  
But they do not know  
Where to go

They walk in circles  
In search that they might  
Find a bite  
For their delight

This includes chickens  
And turkeys, too  
Maybe you know a few

But have you not noticed  
That they're the first to go  
When the dinner bell rings?

For they end up  
On the table  
Because they're not stable

They hang around  
The wrong crowd  
They are noisy and loud

Day by day  
They search for their prey  
But by these signs  
They give themselves away

So if you find this shoe fits  
Then here are a few tips  
Stop clucking your life away

Complaining day by day  
About all your troubles and woes  
And your fellow foes

You probably gossip, too  
With all the other birds  
Just like you

Many of you hang out  
Together in the barn  
Going over and over  
The latest yarn

If you continue  
To walk in these ways  
It won't be long  
Before you find

Your life cut short  
And you find yourself  
In some sort  
Of predicament

Because of all the chatter  
You fail to realize  
What really matters

You need to stop  
Your tongue  
Before it causes  
Your neck to be rung

The enemy is waiting  
And watching you, too  
And he knows  
Just how to handle you

You fall right into his hands  
Each and every time  
Because you refuse  
To seek what is Mine

And you refuse to do  
What I've written in My Book  
And said to you

One more thing I will say  
And that is, the day  
That you come to understand

That it's your mouth that ran  
Your life astray  
And sent you the wrong way

Then you'll be glad to know  
How to use your tongue to sow  
And grow what you need

For indeed, it is true  
That your words  
Are seeds, too

And they can bring forth  
Life or death  
But in the end, it's up to you

Then there are  
The birds of prey  
That seek a new victim  
Every day

Though they can fly  
They prefer to perch nearby  
Like a vulture waiting to eat  
They desire to dine on meat

They can smell blood a mile away  
Which makes it easy  
To find their prey

Most of these birds  
Will eat anything  
They can find

Like the vulture –  
The deader the better  
Even road kill  
Makes a tasty meal

They have no scruples  
And are ready to steal  
Even from their brother  
Or any other

If they have the meat  
That they seek

They constantly hunt  
And are on the prowl  
Many by night  
Like unto the owl

They wait for the darkness  
Until the time is right  
Before they take flight

If you're like one of these  
Then you set out each day  
To find a new prey

And if you're mischievous  
In all your ways  
You're a wolf  
In sheep's clothing

Waiting to devour  
The unsuspecting  
At any hour

If you find  
That you're a bird  
Of this kind

Repent and turn away  
And live to see  
A better day

For those that would prey  
Upon My people  
Would prey on Me as well

And though they prey  
They do not pray  
To Me

But in truth,  
They stay away  
And their heart  
Is far from Me, too

But if you'll repent  
I'll show you a better way  
To live each day

I'll give you what you need  
And I'll give you sight  
To see the light

So you can help  
Others to see  
Where the best is found to be

But if you insist  
On going your own way  
Soon I'll say,  
“Depart from Me  
For I never knew you!”

There are also many birds  
That migrate, too  
They go from this place  
To that place  
Never finishing their race

They find it hard to stay  
In the same place  
Every day

They always desire to see  
What's over the next tree  
And at times they seduce  
Many to follow  
But in the end  
Their ways are hollow

For how will you know  
Which way to go?  
And where to stay  
Unless I guide you  
Day by day?

For it's not My way  
To send you here  
And to send you there

For in My church  
I did not call  
My people to migrate at all

Occasionally  
I will send one out  
Or bring one in  
But only at My word

And even then  
If you have not clearly heard  
Then you're a wandering bird

But all in all  
You will fall  
If you do not find the place  
Where My grace  
Abides for you

If another would offend  
It is not a message  
From Me to send you  
To a new place  
By My grace

Where you think  
You should stand

But if one should offend  
Then be the bigger  
And put it to an end  
And stay put

And keep your foot  
In the place  
Where My grace  
Abides for you

But then there are a few  
That soar above the rest  
The majestic birds  
I created to fly the best

They are a sight to see  
Even if you ask Me  
They can stay aloft  
For hours at a time

They can soar high  
Above the rest  
And they make their nest  
High on the rock  
Not with the flock

They can see far  
And they can see wide  
And they can see trouble  
Coming from any side

When a storm comes  
They do not run and hide  
But instead they lock their wings  
And begin to glide

High above the storm  
Far into the sky  
Where no other bird  
Can possibly fly

When the storm abates  
Then they come down  
From their high place  
To search around

Other birds revere  
When one of these is near  
Particularly those  
That haven't learned to fly

Because these eagles  
of Mine  
Can intimidate the shy

They are bold and strong  
Their place is not for the weak  
Therefore many fear to go  
Where these eagles seek

But if you wish to be a leader  
I encourage you to learn to fly  
And be like an eagle in the sky

I've crowned him with glory  
And majesty, too  
So you could be inspired  
And see what to do

So all can see  
What it's like to soar  
Above the roar  
Of the crowd  
And the haze of the cloud

And though there be few  
There are some things  
You too, should do

Make it a point when flying high  
To look out for the rest  
Instead of only doing what's best  
For you

And don't begin to soar  
Until I open the door  
And make a way  
Then you won't stray

Remember it's by My grace  
That I taught you to fly  
And it's by My grace  
That you will reach the sky

So keep your eyes on Me  
Until you see  
The destination I point out to thee

As you can see  
There are many birds that be  
But which one are you?

Part of the flock  
Or one of the few?  
Do you run?  
Or do you fly?

Learn a lesson from the bird  
Though an interesting word  
It's not all about fun  
But remember  
There's a serious one

Full of evil to shun  
Who is out to steal  
Kill and destroy

So make sure  
When he deploys  
His trap  
That you're not the chap  
That ends up inside

Hear the word of the Lord  
And learn from the bird  
An encouraging word

And come up higher  
And begin to see  
What I have intended for thee

But don't expect to fly  
If you don't keep your eye  
On Me

And once you do learn to fly  
Remember the how and why  
And that it's by My grace

For I desire to bring you  
Into the place

I have for you to be  
Here next to Me

Remember  
It takes wisdom  
And understanding to fly

For the bird it's instinctive  
He doesn't have to know why  
I built it into him

But for you  
It will require  
Knowledge  
And understanding  
Of My ways

So says, the Lord of heaven and earth.

The One who holds you dear  
And requires that you come near  
And seek My face  
To enter your place of rest

A Prophecy given by William A Lee  
Recorded by Linda I. Lee

# Would you like to know Jesus?

Read this page carefully, then pray.

## **ROMANS 10:9-11**

**9 If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved.**

**10 For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.**

**11 For the Scripture says, "Whoever believes on Him will not be put to shame." (NKJ)**

Understand that salvation is not simply reciting a prayer but salvation is opening your heart to Jesus and making Him Lord of your life.

Now pray: Jesus, forgive me for my sins. I turn from my sins and I receive You, Jesus, as my Lord and Savior. I ask You to come into my heart and take control of my life. I believe You took my place and died for me on the cross and I believe that God raised You from the dead. And I thank You for saving me and revealing Yourself to me in a personal and intimate way. In Jesus name. Amen.

We encourage you to contact this ministry. We would like to help you get started in the right direction.
